Drop off & Pick Up Notes

All campers must be signed in and out of camp. Schoolhouse of Wonder requires anyone picking up a child to be listed in advance, preferably through your online account. If your camper will be picked up by someone other than those on the emergency contact list, please let the Lead Counselor know.

All camp groups leave the drop-off areas promptly at 9:00a. Sending staff to meet late campers creates significant challenges and may negatively impact the entire group.

With advanced notice, any child can be picked up at the 3:00p to 3:30p time. Alternate pick-ups outside of that time require advanced Site Manager approval.

DROP OFF AND PICK UP LOCATIONS

Durham - West Point on the Eno: Enter the park to the right and take your first left. Drop off is at the first "upper" parking lot.

WHAT TO BRING TO CAMP

- **Water bottle:** 16 oz. or larger, we'll refill during the day
- **Weather-appropriate clothes and a change of clothes**
- **Comfortable shoes** that can get a little dirty
- **Water gear** like a swimsuit or clothes that can get wet, a small towel, and shoes for water time. Examples include Keens, Crocs, or old sneakers. No flip-flops.

Please send clothes and shoes that your camper can change with minimal assistance.

- **Knives are optional for 7-12 year olds:** A folding lockable blade *or* fixed blade 4" or less. All fixed blade knives must be stored in a protective sheath. (Knives are NOT allowed for 5-6 year olds. Whittling tools will be provided for campers without knives.)

FOOD

Lunch: Please send a packed lunch with your camper each day that does not require refrigeration or heating. Campers often eat more at camp than at school. Please pack a little extra food.

Snacks: Please send two snacks each day.

Because we don't share food, nuts are ok to bring!

- **Sunscreen:** We recommend broad-spectrum with SPF 15 or higher. We strongly discourage the use of aerosol products.
- **Insect repellent:** We encourage you to select an insect repellent that deters ticks, mosquitoes, and chiggers: www.epa.gov/insect-repellents/find-repellent-right-you. We strongly discourage the use of aerosol products and products that combine sunscreen and insect repellent.)

Please start each day with sunscreen and insect repellent on!

MEDS

Campers are not allowed to self-administer any medications. We will sign in all medications on the first day of camp and keep them the whole week. Medications must be in original packaging with dosage instructions. We will only check in the exact number of doses the camper will receive in a week. At least one dose of medication must be administered before any medication can be administered at camp.

TIPS FROM THE PROS

Overloaded Bags: Your child will be carrying their backpack for a good part of the day! A heavy or over-stuffed bag can create an unnecessary challenge to carrying or independently packing their bag.

Backpacks: Many school backpacks are fine for our programs. Please don't send backpacks with string or rope straps. A comfortable backpack (size and style) will make for a better day.

Gross Lunchboxes: Avoid a mess! Pack an extra plastic zip-top bag for lunch trash. This can keep messy or unfinished food from becoming an unwelcome surprise. Send small, resealable drinks instead of juice boxes or pouches that aren't always finished in one sitting.

Footwear: Many kids like wearing their water shoes (with or without socks) all day if they're comfortable for walking. If they don't arrive in water shoes, please send some shoes that can get wet.

Water Gear: Some kids prefer to arrive in water gear and change into dry clothes after water time.

CAMP SAFETY

CAMPER SAFETY

Physical and emotional safety is always our first priority.

We ensure quality programs through:

- Competitive hiring practices that result in a dedicated, responsible, and caring team of mentors.
- All staff maintain First Aid and CPR certifications, with many earning additional certifications.
- Thorough background checks on all staff.
- Extensive staff training on child development, behavior management, emergency response, bullying prevention, and more.
- Low camper-to-staff ratios.
- Educating campers about common hazards in the camp environment (e.g. poison ivy, biting/stinging insects, snakes, ticks).
- An organizational emphasis on engagement that places our experienced staff right next to your child while they explore, learn, and grow.

WATER SAFETY

Firm, clear boundaries and water safety rules will be explained to campers at the outset of water time each day.

While wading, campers will always:

- Be in full sight of counselors.
- Be in water that is not deeper than their navel.
- Wear shoes.

Durham Location: Campers in the 7-9 and 10-12 camps occasionally have the opportunity to float in deeper water. A securely fastened Personal Flotation Device (life jacket) must be worn any time a camper is in water above their navel.

Harris Lake Paddling Camp: Campers are required to wear a Personal Flotation Device (life jacket) any time they are in the water.

OUR CAMP GUARANTEE

Dirty, Tired, Happy or your money back.

We will return your child dirty, tired, and happy - or we will refund your child's remaining camp registration.

Our camps present a unique opportunity for children to grow and learn. While we're confident and proud of our camps, we realize that no one community is a perfect fit for every child. So we offer you our Dirty, Tired, Happy Guarantee to build trust. We don't know a better way to demonstrate the confidence we have in our program than by putting our money where our mouth is.

If you and your child decide that our camp is not the right fit and choose to not return, we'll refund your camp registration for the remaining days of the camp week.

To obtain a refund under our Dirty, Tired, Happy Guarantee, all you have to do is send us a written request within a week stating that our camp is not a good fit for your child and that you would like a refund for the remaining days of the camp week. It's that simple. Guaranteed.

Our Dirty, Tired, Happy Guarantee provides a prorated tuition refund to any child departing before the conclusion of their registered camp, with the exception of those who have been asked not to return for inappropriate behavior. We will take your tuition payment and divide by the number of camp days for a daily rate, multiply by the number of days your child will not be attending, and process a refund to the credit card with which you paid for camp. And that's a promise.

We recognize that we might not be the right fit for your camper now, but as they grow and change, we may be a great fit in the future. Any camper who receives a Dirty, Tired, Happy refund is welcome to give camp another try at least one year (or more) after the refund.
